FAQ'S

What happens if I move away before I'm able to see the value in this service?

Either party can terminate this agreement at any time for any reason. We'll apply the services we've done at retail pricing towards the total you paid for the program and refund the difference.

What about other cars in my family?

If you have multiple vehicles in your household, we will give you 20% off the price of every Lifetime Oil Change Package you purchase after your first.

What if I sell my car?

Add value to the sale price & transfer the plan! When transferred to a new vehicle owner, the first oil change is billed at full price, we'll take care of the rest.

What if I get a new car?

If you get rid of a vehicle that you purchased a Lifetime Oil Change Package for, we will give you 20% off the price of a package for your next vehicle.

» If you require more oil changes per year, you may purchase subsequent oil changes.

How can Team 1 afford to offer such an amazing Lifetime Service Package?

This relationship must be a Win for the Customer and a Win for Team 1. We will provide you with these Lifetime Services and ask in return to allow us to perform all your vehicle's maintenance and repair needs.
